

The Glorious Pickle Times

By Ellie Nowlin | Volume 19 | April 8th, 2020

TODAY'S ACTIVITIES

-Daily LEGO Challenge, Day 15:

There is a circus in town. Build a place for the performance.

-The Escape Game Austin is doing [online escape room field trips!](#)

-Unfortunately, I have not gotten any Fractions play videos, but if anyone still wants to do it, it's never too late! Send them to me at ellienowlin@gmail.com and I'll put it in the next issue! You can always submit one, any time.

-BookSpring [ReadAloud videos](#) and [Book Reviews!](#)

[TGPT HOLIDAY: National EAT Day](#)

Review

Movie: The Incredibles

Two superheroes (or 'supers'), Mr. Incredible and Elastigirl, happen to fall in love and marry. Then, supers become illegal and they, along with their friend Frozone, their own super-kids, and hundreds of others are forced underground. But then, an annoying kid who calls himself 'Incrediboy' appears, along with a few other interesting things, and it looks like the Incredibles might be needed again...

A Poem by Me!

Ode to Springtime

The sun peeks through the clouds
And quite beautifully whispers its song:
*To leaf, grass, mountain and creature,
Another morning arises for you.
Make of it what you will, and
Never forget the sun's love for you.*
And the sun begins another day
Its peaceful reign ever continuing
And the flowers awaken, open their petals
Greet the sun with their pleasant sway,
The colors that would never show
But now, making their beauty known,
To near and far, a poem, a song,
And the sky blue, the grass green,
And the petals hundreds of colors
Often hiding or invisible,
And the blankets spread across the world,
Of cloud, of love, and of cloth,
The cloud, the sun's army, ready yet kind,
The love, wrapping the world in its arms,
And the cloth, where beautiful creatures
Sit across, with a sandwich or sweets,
Whispering their love without speaking,
Dancing their waltzes without moving,
Little ones excited, searching for candy,
And the world's heart beats as one
In springtime.

DAD JOKE OF THE DAY

Why is a fish unlike a guitar?

Because you can tune a guitar but you can't tuna fish.
