THE DAILY INTERVIEW

Ruby Jay

11-year-old Ruby Jay has an incredibly interesting - not to mention simply *incredible* - hobby: contortion! "I did it because I saw people on YouTube doing it, and I thought 'hey, maybe I could try that!'" says Ruby. "Plus, I already do gymnastics." Well, 'do gymnastics' is a slight understatement. Ruby has been a gymnast for about 6 years! "We're still looking for a contortion class, because the one we thought we were doing did ribbons," she says. Her role model is Sophie Dossi, an incredible contortionist who was on Season 11 of America's Got Talent. "My favorite part of contortion is freaking people out," laughs Ruby. "But I'm scared I'm going to break something (like a bone)." During the interview, Ruby went into a backbend and held it for 3 minutes and 8 seconds! Ruby is in Level 3 in gymnastics, and her goal is to be in Level 9 or higher.

DAD JOKE OF THE DAY

The first French fries weren't cooked in France.

They were cooked in grease.
