Video Game: Minecraft

Build, mine, craft, survive, fight, and play in Minecraft! A fun game to build buildings, statues, and sculptures, craft things out of other things, play with friends, and fight monsters! THE DAILY INTERVIEW

Taryn Bussinger

We all have hobbies and enjoyments, but Taryn Bussinger has one she loves above all others: sports. "My favorite sport is either soccer or basketball," she says on the subject. "I love sports because I like to be active, I like to win, I'm competitive, and also you make friends." Taryn's dad is a basketball coach, so she began learning that sport at a young age. "And Lauren played soccer, so we wanted to try." And try they did! Taryn and her sister, Taya, have been on a soccer team for over three years. "My favorite sports to watch are football and basketball, because I like to cheer on our teams." Taryn's a big fan of the football team Nebraska Cornhuskers, and basketball team Golden State Warriors. When asked if she had any more on the subject, Taryn says, "I want to say that sports are awesome!"
