Review

Movie: The Book Of Life
Xibalba, the master of The Land Of The Forgotten, strikes a wager with La Muerte, master of The Land Of The Remembered. They place their bets on Manolo and Joaquin, two young men both in love with the beautiful Maria, and so begins the biggest gamble ever... Age 8+. Very funny.

The Story Of TGPT

Instead of an interview today, I've decided to give you all the background and story of The Glorious Pickle Times. I know some of you have wondered, and a few readers have asked me directly, so I decided to give you all the story.

Eighteen days ago, on March 16, I was watching Mo Willems' Lunch Doodle Ep. 1, and during the first doodle I drew a bowl full of beans. That was how this all started. A bowl full of beans. That bowl full of beans became a single bean, and soon there were a million doodles of that one bean. My mom, Erika Nowlin, thought about creating a 'social distancing newsletter,' as head of Austin Allies. I offered to draw a bean for it, and Mom thought it was a great idea. When we went to walk the dog a few minutes later, I brought up the subject again, and Mom said, "Why don't you make one with your friends?" This was a pretty good idea, but Zooming or FaceTiming everyday, plus collaborating, just seemed like it would get exhausting after the first issue, so we came up with the idea of The Daily Interview. When we got home, I jumped on my computer, opened Google Docs, and typed the words 'The Glorious Pickle Times' at the top.
